

# Wake UP Austria !

organized by "Denk- und E-Sport Klub Hungry Hippos"

## **Description:**

After things have become uncomfortably quiet in the austrian go scene, we would like to bring some fresh wind onto the dusty go boards with a small online tournament.

We will use this online tournament as a Crowdfunding opportunity to cover the costs of the approaching offline tournaments 2023.

Our Sponsor will also be part of the following tournament as well, so we can gladly offer prizes for the top group again as little incentives.
